TRANSFORMING VISIONS INTO EXCELLENCE

# LEVANTE

## VEGAN LEATHER

Levanté Vinyl features a PreFixx protective finish, enhancing its unique combination of leather-like texture, suppleness, and long-lasting construction. Its supple feel and robust design makes it an excellent choice for demanding environments like hospitality and healthcare, offering both style and resilience. Additionally, it is flexible and easy to handle.

-  Fade Resistant
-  Exceptional durability
-  Stain Resistant
-  Waterproof
-  Bacterial Resistant
-  Bleach & Isopropyl Cleanable
-  Urine & Oil Resistant
-  Easy Maintenance
-  5 year indoor warranty
-  Versatile Applications

### MAS Certified Green®

MAS Certified Green® Certificates of Compliance - What it means for you:

- Increased product options for customers who require certified low VOC emitting materials
- Reduced indoor air pollution, contributing to healthier living and working environments
- Independent validation of our suppliers commitment to safety and quality
- Demonstrates our suppliers proactive commitment to obtaining industry certifications relevant to its customer base

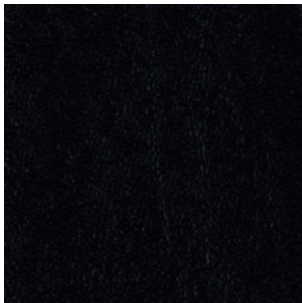

### PreFixx Finish

PreFixx® protective finish is engineered so that upholstery can be cleaned again and again without showing signs of wear. With easy cleanability, and proven stain and abrasion resistance, PreFixx can reduce maintenance costs and extend the upholstered product's useful life.

PreFixx is bleach and isopropyl alcohol cleanable, allowing for hassle-free disinfection using a wide range of hospital-grade disinfectants.
