

Upholstery Cleaning Instructions

Vinyl Upholstery

To minimize any problems from stains, all stains should be cleaned as soon as they are noticed, making sure the recommended cleaning agents are used in the following order:

Normal Care and Cleaning

Remove ordinary dirt and smudges with a mild soap and water solution and a clean soft cloth or towel. Dry with a soft lint-free cloth or towel. For more difficult stains, continue to the special cleaning instructions below. Do not use abrasive powder, steel wool, or industrial strength or solvent cleaners.

Rinse cleaned area with fresh water then dry with a clean, lint-free cloth.

Special Cleaning

Nevis vinyl upholstery can be cleaned and disinfected with a 10% diluted household bleach (sodium hypochlorite) solution (1:9 bleach to water ratio). Following cleaning and disinfection with bleach, rinse cleaned area with fresh water then dry with a clean lint-free cloth.

Do not use alcohol based cleaners

Please consult a sales representative for further information.
