Outdoor Vinyl &
Vegan leather Warranty

5 years

Uses: Indoor/Outdoor, excludes Gyms

Care Instructions

Normal Cleaning
Remove dirt and smudges with Textile House 4 in 1 Leather & Vinyl Cleaner or mild soap and water solution and clean with a soft cloth or towel. It is recommended to rinse cleaned area with fresh water then dry with a soft lint-free cloth or towel.

For more difficult stains, continue to the special cleaning instructions below. Do not use abrasive powder, steel wool, or industrial strength or solvent cleaners.

Special Cleaning & Disinfection

Monaco Vegan Leather can be cleaned and disinfected with a 10% diluted household bleach (sodium hypochlorite) solution (1:9 bleach to water ratio) or isopropyl alcohol solution in the same ratio. Following cleaning and disinfection with bleach, rinse cleaned area with fresh water then dry with a clean lint-free cloth. It is only recommended to do this only as needed as using strong cleaners often will reduce the life expectancy of the vinyl.

Caution: Undiluted bleach, isopropyl alcohol or lacquer can dull or damage the product. If in doubt about a detergent or cleaner, test a patch in an inconspicuous place before applying in a larger place.

Warranty Terms & Conditions
This Warranty does not cover issues arising from: (a) staining or degradation resulting from interaction with other components of an upholstered product; (b) damage caused by post sale application of coatings, conditioners or other surface treatments; (c) improper installation or structural failure of the upholstered product; (d) damage caused by accidents, misuse, abuse or vandalism; (e) deterioration caused by exposure to harsh or abnormal conditions; or (f) deterioration due to exposure to cleaners or methods of cleaning which do not comply with Textile House standard care and cleaning instructions. This warranty is valid from the date product is manufactured and is not transferable.
